

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

CBR Spacer Discs

Manufacturer: Hira
Model: MAT-HIR-03414
Availability: In Stock

Description

This is a plated-steel slotted CBR spacer disc, inserted into the mould as a false bottom during compaction so the finished specimen comes out at the correct standard height once the disc is withdrawn.
