

Steel Rod 75mm Long X 3.2mm Diameter

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Steel Rod 75mm Long X 3.2mm Diameter

Manufacturer: Hira
Model: MAT-HIR-03531
Availability: In Stock

Description

This plain steel reference rod, 75mm long x 3.2mm diameter, is used as a rolling gauge in the plastic-limit thread test -- the soil thread is rolled by hand until it matches this rod's diameter and begins to crumble.
