

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

### Product Overview

## 2.8kg Solid Base Plate For CBR Mould

**Manufacturer:** Hira

**Model:** MAT-HIR-03545

**Availability:** In Stock

### Description

This solid, perforated 2.8kg base plate fits under the CBR mould in place of the standard drainage base. Its perforated face allows drainage while the flat underside gives a stable seating during compaction, soaking or extrusion.
