

Set Of Guards For CBR Proctor compaction press

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Set Of Guards For CBR Proctor compaction press

Manufacturer: Hira
Model: MAT-HIR-03551
Availability: In Stock

Description

This is a hinged safety cage that fits around the rotating mould/hammer assembly of an automatic CBR Proctor compaction press, shielding the operator from moving parts while still allowing access to load and remove the mould.
