

Reagent Grade Silica Gel, 500g Container

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reagent Grade Silica Gel, 500g Container

Manufacturer: Hira
Model: MAT-HIR-03605
Availability: In Stock

Description

This is reagent-grade indicating silica gel desiccant supplied in a 500g container; the beads turn colour on moisture saturation, signalling when the desiccant needs replacing or regenerating.
