

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Marshall Compaction Hammer, Manual

Manufacturer: Hira
Model: MAT-HIR-03634
Availability: In Stock

Description

This is a hand-operated Marshall compaction hammer used to compact asphalt specimens for mix design testing, with a flat circular face that free-falls down a guide rod to deliver a standardised compactive blow -- the manual counterpart to motorised Marshall compactors.
