

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

## Product Overview

### Filter Rings for Centrifuge

**Manufacturer:** HIRA  
**Model:** MAT-HIR-03691  
**Availability:** In Stock

## Description

This is a package of filter rings for the centrifuge, fitted inside the centrifuge bowl to retain fines and prevent loss of mineral filler during bitumen-content spinning.
