

Calcium Carbide

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Calcium Carbide

Manufacturer: Hira
Model: MAT-HIR-03712
Availability: In Stock

Description

This is calcium carbide reagent formulated for speedy-type moisture testers, reacting with sample moisture to generate acetylene gas whose pressure indicates water content, per ASTM D4944/AASHTO T217.
