

Coarse Aggregate Density Test Set

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Coarse Aggregate Density Test Set

Manufacturer: Hira
Model: MAT-HIR-03827
Availability: In Stock

Description

This is a coarse aggregate density test set comprising a stainless wire mesh basket with lifting handle and a soaking/immersion container, used per ASTM C127/AASHTO T85 to determine relative density and water absorption of coarse aggregate samples.
