

Sieve Shaker

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Sieve Shaker

Manufacturer: Hira
Model: MAT-HIR-03831
Availability: In Stock

Description

This is an electromechanical sieve shaker with adjustable frequency and amplitude, holding a stack of sieves and vibrating them to mechanically separate a graded sample far faster and more consistently than manual shaking.
