

Field Cbr Equipment

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Field Cbr Equipment

Manufacturer: Hira

Model: MAT-HIR-03837

Availability: In Stock

Description

This is a field-portable California Bearing Ratio rig for in-situ testing of road sub-grade and sub-base soils, built around a cantilevered steel frame that mounts on a truck or trailer for stability during penetration, per IS:2720 (Part 31).
