

Motorised Casangarde Equipment

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Motorised Casangarde Equipment

Manufacturer: Hira

Model: MAT-HIR-03840

Availability: In Stock

Description

This is an electrically driven Casagrande liquid limit apparatus, running the cup at a fixed drop rate for more repeatable results than hand cranking, meeting ASTM D4318, BS 1377-2, AASHTO T89.
