

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Shrinkage Limit Set

Manufacturer: Hira

Model: MAT-HIR-03841

Availability: In Stock

Description

This is a complete shrinkage-limit set (dish, pronged glass plate, evaporating dish, graduated cylinder, mercury) used to find the water content below which further drying causes no more volume reduction, per ASTM D427.
