

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Cone Apparatus

Manufacturer: Hira
Model: MAT-HIR-03842
Availability: In Stock

Description

This is a bench-mounted fall-cone penetrometer for liquid limit determination to BS 1377, with a cast-aluminium levelling base and a dial indicator reading penetration in 0.1mm divisions, with a 30-degree stainless-steel cone released via an integral clamp.
