

TIAN Steel Tamper (BS1377) compatible with Kango hammer

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

TIAN Steel Tamper (BS1377) compatible with Kango hammer

Manufacturer: TIAN

Model: MAT-TIA-322252

Availability: In Stock

Description

This steel tamper on a splined drive shank fits the chuck of an electric vibrating (Kango-type) hammer, transmitting the hammer's vibration into the soil surface inside the mould during compaction, to BS 1377.
