

TIAN DLP-100B Cone penetrometer with gauge and automatically controlled test cup

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

TIAN DLP-100B Cone penetrometer with gauge and automatically controlled test cup

Manufacturer: TIAN
Model: MAT-TIA-9874152
Availability: In Stock

Description

This dial-gauge cone penetrometer mounts on a stand with a magnetically released plunger and a digital timer/control unit, used to determine the liquid limit of soil by measuring cone penetration into an automatically controlled test cup, per BS 1377 Part 2.
