

Tian Edg-s200 Nuclear Moisture/density Gauge (troxler 3411b or Similar Non-nuclear Type)

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Tian Edg-s200 Nuclear Moisture/density Gauge (troxler 3411b or Similar Non-nuclear Type)

Manufacturer: TIAN
Model: MAT-TIA-5213115
Availability: In Stock

Description

The EDG-S200 is a non-nuclear electronic soil density/moisture gauge (a Troxler-type alternative), giving density and percent-compaction readings within seconds via a touchscreen, without the licensing burden of a radioactive source.
