Product Overview

TIAN 34-T0092/A Perforated swell plate 150 mm dia with an adjustable centre post of rust proof metal provided with a lock-nut

Manufacturer: TIAN

Model: MAT-TIA-5394880

Availability: In Stock

Description

This 150mm diameter perforated swell plate is used in the CBR swell/expansion test, fitted with a height-adjustable rust-proof centre post secured by a lock-nut. Perforations let water reach the specimen freely during soaking while the plate spreads load evenly.
