

TIAN 34-T0094 10 lb annular surcharge weights

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

TIAN 34-T0094 10 lb annular surcharge weights

Manufacturer: TIAN

Model: MAT-TIA-8175395

Availability: In Stock

Description

This 10lb annular surcharge weight is machined with a radial slot so it slips over the mould's centre post, applying overburden pressure representative of pavement layers during soaking and penetration.
