

TIAN 34-T0097 2.8 kg Solid base plate for CBR mould

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

TIAN 34-T0097 2.8 kg Solid base plate for CBR mould

Manufacturer: TIAN
Model: MAT-TIA-1162230
Availability: In Stock

Description

This solid, perforated 2.8kg base plate fits under the CBR mould in place of the standard drainage base. Its perforated face allows drainage while the flat underside gives a stable seating during compaction, soaking or extrusion.
