

TIAN Pycnometer of 1 litre capacity

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

TIAN Pycnometer of 1 litre capacity

Manufacturer: TIAN

Model: MAT-TIA-6171716

Availability: In Stock

Description

This 1-litre pycnometer is fitted with a watertight conical screw top pierced by a small apex hole, used as the specific-gravity bottle for aggregate testing; filling to a marked reference point gives a fixed, repeatable volume.
