

TIAN 1.2 m x 1.2 m x 50 mm deep galvanized metal tray

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

TIAN 1.2 m x 1.2 m x 50 mm deep galvanized metal tray

Manufacturer: TIAN

Model: MAT-TIA-1641849

Availability: In Stock

Description

This zinc-plated sheet-steel mixing/sample tray has folded, reinforced corners for rigidity. At 1.2m x 1.2m x 50mm deep, it's sized for splitting and quartering bulk aggregate or soil samples in the field or yard before lab sub-sampling.
