

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

TIAN Cold chisel

Manufacturer: TIAN
Model: MAT-TIA-4305700
Availability: In Stock

Description

This hand-forged cold chisel has an octagonal shank and hardened, ground cutting edge for splitting masonry, concrete and rock samples without heat. Struck with a hammer to break down oversize aggregate or trim specimens ahead of testing.
