Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

TIAN BS Sieve brush double ended brass and nylon bristle

Manufacturer: TIAN

Model: MAT-TIA-3135534

Availability: In Stock

Description

This double-ended sieve-cleaning brush has a wooden handle with coarse brass bristles at one end and fine nylon bristles at the other, used to clear trapped particles from sieve mesh without damaging the wire cloth.
