Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

TIAN Polythene or glass 20 litres storage vessel with tap at bottom

Manufacturer: TIAN

Model: MAT-TIA-6098175

Availability: In Stock

Description

This is a 20-litre rigid storage vessel with a screw-down tap at the base, used for holding and dispensing water or prepared solutions in the lab. The wide mouth allows easy filling and cleaning.
