

TIAN 5 litre capacity steel storage containers with leak and dust proof lids for storage of bitumen samples

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

TIAN 5 litre capacity steel storage containers with leak and dust proof lids for storage of bitumen samples

Manufacturer: TIAN
Model: MAT-TIA-6207974
Availability: In Stock

Description

This is a 5-litre tinplate storage container with a tight-fitting slip lid, the standard format used for holding bitumen and asphalt binder samples between tests. The seamed steel body and press-fit cover keep out dust and moisture during storage.
