

TIAN 450mm diameter x 150mm deep metal mason's basin

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

TIAN 450mm diameter x 150mm deep metal mason's basin

Manufacturer: TIAN

Model: MAT-TIA-4340845

Availability: In Stock

Description

This is a 450mm diameter x 150mm deep galvanized-steel mixing basin used for hand-blending aggregate, mortar or bitumen samples on the bench. The shallow, wide-mouthed shape gives good access for a trowel or spatula during mixing.
