

TIAN CE-3000 3000 g capacity Asphalt centrifuge extractor complying with BS 598

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

TIAN CE-3000 3000 g capacity Asphalt centrifuge extractor complying with BS 598

Manufacturer: TIAN
Model: MAT-TIA-5606980
Availability: In Stock

Description

The CE-3000 is a bench-top centrifuge extractor with a 3000g specimen capacity, driven by a variable-speed motor with digital speed readout and ammeter, used to spin bitumen and solvent out of an asphalt mix sample through a filter ring, complying with BS 598.
