Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

TIAN Replacement bowl for 3000 g capacity Asphalt centrifuge extractor

Manufacturer: TIAN

Model: MAT-TIA-8379837

Availability: In Stock

Description

This is a precision-machined replacement rotor bowl sized for 3000g-capacity centrifuge extractors, fitted when the original bowl is worn or damaged so the machine keeps its balance and filtration seal during solvent extraction.
