Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

TIAN HTHY-XY170 Gyratory compactor ELE Servo Pac or equivalent with 1 x 100mm and 1 x 150mm moulds

Manufacturer: TIAN

Model: MAT-TIA-4934149

Availability: In Stock

Description

The HTHY-XY170 is a servo-driven gyratory compactor that produces asphalt specimens under a preset vertical load and gyration angle, generating a densification curve used to design and evaluate paving mixtures. Supplied with 100mm and 150mm moulds, meeting ASTM D6925/AASHTO T312.
