Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

TIAN AC-150 Aggregates Crushing Value complete set

Manufacturer: TIAN

Model: MAT-TIA-7542890

Availability: In Stock

Description

The AC-150 is a complete aggregate crushing value set: a hardened-steel 150mm cylinder, plunger, base plate, tamping rod and measure, used under a compression machine to determine an aggregate's resistance to gradual crushing load.
