

TIAN 48-D0441/A Pycnometer Top and Jar

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

TIAN 48-D0441/A Pycnometer Top and Jar

Manufacturer: TIAN
Model: MAT-TIA-9191131
Availability: In Stock

Description

This is a 48-D0441/A spun-brass pycnometer top fitted with a 1000ml glass jar, used to determine the specific gravity of fine aggregate per ASTM C128. The top has a small vent hole and a threaded fitting that mates with the jar mouth, with a rubber gasket to keep fines out of the threads.
