Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

TIAN Specific Gravity Bottles, 220-250ml

Manufacturer: TIAN

Model: MAT-TIA-5579094

Availability: In Stock

Description

This is a 220-250ml borosilicate specific gravity bottle, the larger-capacity member of the same pear-shaped bottle family, used where a bigger sample volume is needed for more representative density readings.
