

TIAN Heavy Rammer (4.5 Kg)

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

TIAN Heavy Rammer (4.5 Kg)

Manufacturer: TIAN
Model: MAT-TIA-8190929
Availability: In Stock

Description

This is a 4.5kg plated-steel compaction rammer with a guide sleeve giving a controlled 450mm free-fall drop, to BS 1377-4, delivering the heavier modified compactive effort used for soil density testing where higher compaction levels are required.
