

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

TIAN Striaight Edge

Manufacturer: TIAN
Model: MAT-TIA-6483562
Availability: In Stock

Description

This is a flat-ground tool-steel straightedge with a bevelled edge, approximately 300 x 40 x 6mm, used to check the flatness of compression-machine platens and to strike off soil or concrete test specimens.
