

TIAN SYE-2000BS 2000 Kn, Capacity Testing Machine

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

TIAN SYE-2000BS 2000 Kn, Capacity Testing Machine

Manufacturer: TIAN
Model: MAT-TIA-5668371
Availability: In Stock

Description

The SYE-2000BS is a manually loaded hydraulic compression testing machine with a protective platen guard, Class-1 accuracy, roughly 330mm compression space, 120mm piston stroke, and 300mm diameter compression plates, used to determine the compressive strength of concrete cubes and cylinders up to 2000kN.
