

TIAN 1L 1QT. Sample Can

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

TIAN 1L 1QT. Sample Can

Manufacturer: TIAN

Model: MAT-TIA-1675419

Availability: In Stock

Description

This is a tinned-steel 1-quart (roughly 1 litre) sample can with a tight friction-fit lid, used for collecting and transporting soil, aggregate or moisture-content samples without loss of material or moisture.
