

# TIAN Heavy Compaction Rammer (4.5 Kg)

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

## Product Overview

### TIAN Heavy Compaction Rammer (4.5 Kg)

**Manufacturer:** TIAN  
**Model:** MAT-TIA-5299055  
**Availability:** In Stock

## Description

This heavy (modified) compaction rammer is used to compact soil specimens in CBR and Proctor moulds, a plated-steel shaft with a guide sleeve that gives a fixed free-fall height, delivering the higher compactive effort specified for modified/heavy compaction tests versus the standard 2.5kg rammer.
