

TIAN 0.5 Itr. Small Mouth Can

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

TIAN 0.5 Itr. Small Mouth Can

Manufacturer: TIAN

Model: MAT-TIA-5502929

Availability: In Stock

Description

This is a friction-lid metal sample can sized around 0.5 litres, used to draw and store bitumen or tar samples per ASTM D140 sampling practice. Its tin-plated steel body and tight seal keep volatile fractions from evaporating between field collection and lab testing.
