

TIAN Spare cones (additional cones to be supplied as required)

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

TIAN Spare cones (additional cones to be supplied as required)

Manufacturer: TIAN
Model: MAT-TIA-6952975
Availability: In Stock

Description

This is a single replaceable hardened cone tip for a dynamic cone penetrometer, threaded to mount on the drive rod, sold as a consumable spare since the tip wears with repeated soil penetration.
