

TIAN 300mm lid

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

TIAN 300mm lid

Manufacturer: TIAN

Model: MAT-TIA-4867786

Availability: In Stock

Description

This is a 300mm sieve lid, a stainless-steel dust cover with a pull-knob used to cap the topmost sieve in a stack, preventing sample loss and contamination during shaking or storage.
