

TIAN TPZ-3 Mechanical sieve shaker

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

TIAN TPZ-3 Mechanical sieve shaker

Manufacturer: TIAN
Model: MAT-TIA-4231028
Availability: In Stock

Description

The TPZ-3 is an electrically driven mechanical sieve shaker combining vertical pounding and rotary swaying motion to drive material through a stacked sieve column, accepting 200mm or 300mm diameter sieves with a digital timer console.
