Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

TIAN Dish Glass 2.2L - 260*220*65mm

Manufacturer: TIAN

Model: MAT-TIA-9123504

Availability: In Stock

Description

This is a heavy-duty clear rectangular glass dish, roughly 2.2 litre capacity (260x220x65mm) with reinforced carry handles, used as an oven-safe sample tray for aggregate/soil moisture-content drying and general lab material handling.
