

TIAN SM-1000

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

TIAN SM-1000

Manufacturer: TIAN

Model: MAT-TIA-9250138

Availability: In Stock

Description

The SM-1000 is a field speedy moisture tester that reacts a soil/sand/aggregate sample with calcium carbide reagent in a sealed pressure vessel; the resulting acetylene gas pressure is read directly as a percentage moisture content on a calibrated gauge, complying with BS 812, ASTM D4944 and AASHTO T217.
