

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Bosch GTC 400C Thermo Camera

Manufacturer: Bosch
Model: MEA-BOS-00025
Availability: In Stock

Description

Immediate visualisation of temperature differences with smart documentation
Fast exchange of data and easy documentation of thermal images with the Bosch Measuring Master app
Picture-in-picture technology overlays thermal and real images for easy-to-see localisation of the measurement
Flexible battery system can be powered by a 12 V LI-ION battery or with standard alkaline batteries
Technical data
Measurement range: -10 °C to +400 °C
Measuring accuracy of IR: ± 3.0 °C
Thermal sensitivity (NETD): Resolution: 0.1 °C
Size of IR sensor, width: 160 px
Size of IR sensor, height: 120 px
Size of IR sensor: 160x120 px
Number of measuring points: 19,200
Power supply and runtime: 4 x 1.5 V LR...
