Product Overview

Bosch HSS PointTeQ 20.0mm (reduced Shank) (1pc) Metal Drill Bits

Manufacturer: Bosch
Model: POW-BOS-00223
Availability: In Stock

Description

HSS Twist Drill Bit PointTeQ enables fast drilling in metal due to PointTeQ tip design Self-centering tip prevents wandering, making quick and easy drilling starts possible Increased drilling rate generates less heat and wear PointTeQ tip design remains sharp and ensures continuous durability The HSS Twist Drill Bit PointTeQ enables fast drilling in metal due to its PointTeQ tip design. Quick and easy drilling starts are possible as the self-centering tip prevents wandering. Because of its increased drilling rate, less heat and wear are generated. The PointTeQ tip design remains sharp and ensures continuous durability. This bit is suitable for drilling clearance and pilot holes in al...
